

MIYCHN – Maternal Infant Young children Health & Nutrition

Location : Balrampur (UP)

We are working extensively in health & nutrition sector for betterment of society especially women, infant, children, cancer patients and disabled persons by improving their health, nutrition, awareness and livelihood since last fifteen years.

We are working in maternal, neonatal and reproductive health sector extensively since inception of the organization.

We organize medical health check up camps, assessment camps, health screening camps including yoga and AYUSH promotion camps once in a three months regularly.

We organize health assessment camp periodically once in three months to assess their health by professionals for their need and give them at free of cost.

We provide medical facility through hospitals and pay for their medicines.

We provide physiotherapy and occupational therapy session to disabled and elderly persons through our unit, if needed, home therapy session also for bedridden people.

We run a physiotherapy and speech therapy unit along with special school for special need children and elderly people.

We provide raw protein rich food items to them either once in a month or need based.

Our project is **MIYCHN** – Maternal Infant Young children Health & Nutrition which will be implemented through three modes :

1. Awareness & education through outreach programs
2. Set up of a NGDC – nutritional guidance cum Distribution center
3. Capacity building training of mothers , primary caregivers , community health mobilizer and Millet based Nutrition campaigning & supplement distribution
